***Welcome Transfer Students From Other Universities
Admissions 2020-21
Fee discount for early applicants***

Dear Transfer Applicant,

Because of the Covid-19 pandemic and the disruptions it has caused, many students are reflecting on possible options to the continuation of their higher studies.

If you are enrolled in an undergraduate or postgraduate programme in another university but wish to consider a mid-course transfer to MLCU, we will welcome your application and provide you with full credits for the course work you have completed.

Starting dates:

Undergraduate courses: Wednesday, July 15, 2020

Post graduate courses: Monday, August 3, 2020

Though we are a young university, our 6000+ alumni are doing well. In the last 2-3 years we have received rankings and awards by peer bodies and the media for the high quality of education offered at MLCU.

This year the world has been hit by the Covid-19 pandemic and while education has almost come to a standstill, MLCU has been able to support its students through online teaching-learning and mentorship. So we will be finishing the semester for our students, as scheduled on June 12, 2020.

We welcome your application. All steps will be accomplished online. We also assure you of the following provisions:

1. Applications will be processed for both undergraduate and postgraduate degree programs even though the results of +2 examinations or UG degree results are awaited.
2. Students will be issued provisional admission letters and may join classes while awaiting the results.
3. You may avail of career advice and counselling by calling any of our certified career counsellors. The list is provided below.
4. If you need any information about the degree/diploma you are considering, please feel free to call the head of department concerned. The list is provided below.

We realize that all families have faced financial challenges because of the Covid-19 pandemic. To show our goodwill and support the following fee discounts are granted:

1. For Diploma and UG programs, a discount of Rs 7,000/- for the first semester if paid by June 15 and Rs 5000/- if paid after June 15, 2020.
2. For PG programs: Rs 7000/- for the first semester if paid by June 15 and Rs 5000/- if paid after June 15, 2020.
3. For students who join after the last date, the late fee will be waived:
